Health Corner

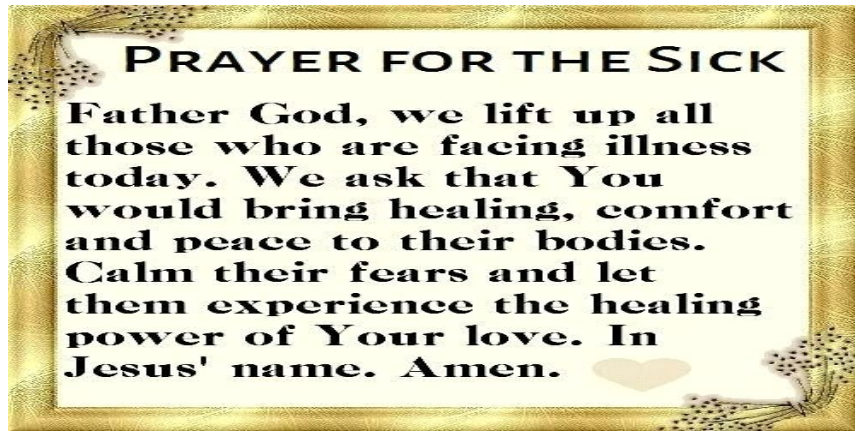

Godly Trust continued

The Bible says “**A sound heart is the life of the flesh, but envy is the rottenness of the bones.**” Proverbs 23:7. This means that right thinking will promote life and health while wrong thinking will invite decay and death. Thoughts are accompanied by corresponding feelings. If the thoughts are wrong, the feelings will be wrong. If the thoughts run in the channel of complaining, distrust, suspicion, murmuring, jealousy, envy, resentment or anger, the feelings will be dark and gloomy. Such feelings have a positive poisonous affect on the glands, the blood, stomach, liver, heart, and indeed the whole body.

Paul’s prescription is a good one for life and health: “Whatsoever things are true, whatsoever things are honest, whatsoever things are just, whatsoever things are pure, whatsoever things are lovely, whatsoever things are of good report, if there be any virtue and if there be any praise, think on these things.” Philippians 4:8.

IMPORTANT - Please Read: Cyber Security

Dear Pastors, Elders, and Clerks:

Peace and grace to you in the name of Jesus Christ!

It has been brought to our attention that in a number of official church email correspondences which involve a large number of recipients, the recipients' email addresses were not entered in the "Bcc (blind carbon copy)" field, instead they are entered in the "Cc (carbon copy)" field, exposing the email addresses. This is a breach of privacy, and it poses safety and security concerns.

To manage cyber risk, the Ontario Conference have acquired Cyber Liability Insurance, in which churches are included in the coverage.

As such, we want to maintain our good standing with the insurance provider, and we want to encourage good electronic communication practices, that include protection of individual's privacy. **Please ensure that you utilize the "Bcc" field when sending out emails to multiple recipients.**

We ask pastors to kindly make sure that this email is shared with your church clerks.

Thank you for your time and attention.

Much blessings,

Edith Missah-Habaradas
