Health Corner

Open Air

The spirit of God hath made me, and the breath of the Almighty hath given me life. - Job 33:4

For the month of February, we will focus on the 'O' in **GOD'S PLAN**, which is Open Air. Even during the cold weather months, it is important to get fresh air. Bundle up and take a brisk walk around the block this week!

"We are more dependent upon the air we breathe than upon the food we eat. Men and women, young and old, who desire health, and who would enjoy active life, should remember that they cannot have these without a good circulation. Whatever their business and inclinations, they should make up their minds to exercise in the open air as much as they can. They should feel it a religious duty to overcome the conditions of health which have kept them confined indoors, deprived of exercise in the open air."

- Counsels on Health, 173

Condolences: To Sis. Janette Johnson and family. Her cousin **Phyllis Hinds** passed away on Tuesday, January 1 in Montreal. Our church was praying for Phyllis for several weeks.

Hi Friends,

Regardless of whether you are young or old, male or female, or whatever language you speak, God is closer to you than you think.

In fact, as a baby, the first word you ever spoke when you came into this world was the name of GOD.

Take a look and see how close God has always been to you!
