Health Corner

Fresh Air continued

Fresh air has an invigorating influence on both body and mind. The body benefits more from outdoors than from indoor exercise. Pure, fresh air benefits the body and mind in the following ways:

- Fresh air promotes a healthful circulation of the blood
- It refreshes and strengthens the body
- Pure air soothes the nerves-gives the mind composure and serenity
- It excites the appetite and helps the food to digest more perfectly
- Fresh air in the bedroom gives a good night's sleep

Hi Friends,

This Sabbath, February 12, 2022, the offering being taken throughout Canada is to support the work of *It Is Written Canada*.

Every week all across Canada on CTV, and over a dozen other networks throughout Canada and around the world, more than 100,000 people tune in to the *It Is Written Canada* broadcast. With its hosts, Mike and René Lemon, *It Is Written Canada* is committed to connecting Canadians to the abundant life found in Jesus in a way that is personal and relevant.

Through the faithful donations of people like you, *It Is Written Canada* has been able to send Bibles, study guides, and media resources to people throughout Canada and around the world.

Please, take a look at our [2022 Offering Appeal](https://www.youtube.com/watch?v=9cBXhlt67tQ).
<https://www.youtube.com/watch?v=9cBXhlt67tQ>

We would also like to share with you a music video featuring a song written and sung by Sanj Sukumaran.

Sanj wrote this song for his wife, Reema, who faced physical and emotional trauma. At a time when she was surrounded by fear, feeling like there was no way out, Jesus gave her strength, He gave her power, and He gave her peace.

You too will see how light always overcomes the darkness when you stand in His love.

We hope you will be blessed by this beautiful song of love: [Stand in Your Love](https://www.youtube.com/watch?v=eyo0UIBM8Ss)
<https://www.youtube.com/watch?v=eyo0UIBM8Ss>

Blessings to you and your family,
Mike and René Lemon
