Health Corner

Sunlight continued

When God had made our world, and darkness was upon the face of the deep, he said, “Let there be light”, and there was light. And God saw the light that it was good. Shall we close our houses, and exclude from them the light which God has pronounced good?

If you would have your homes sweet and inviting, make them bright with air and sunshine.... The precious sunlight may fade your carpets, but it will give a healthful colour to the cheeks of your children. If you have God's presence, and possess earnest, loving hearts, a humble home, made bright with air and sunlight ... will be to your family ... a heaven below.
