HEALTH CORNER

Lots of Water

The "L" in GOD'S PLAN stands for Lots of water. This month we will look at how important water is for our bodies both internally and externally.

"The refreshing water, welling up in a parched and barren land, causing the desert place to blossom and flowing out to give life to the perishing, is an emblem of the divine grace which Christ alone can bestow, and which is as the living water, purifying, refreshing, and invigorating the soul."

- Patriarchs and Prophets, 412

The Lord will guide you continually,
And satisfy your soul in drought,
And strengthen your bones;
You shall be like a watered garden,
And like a spring of water, whose waters do not fail.
Isaiah 58:11 (NKJV)
