HEALTH CORNER

Temperance is self-control that teaches us to do without everything that is hurtful and to wisely use that which is healthful. We are to practice temperance in eating, drinking, sleeping, working, and dressing.

Always Temperate cont.

The governing principle of God's people should be, "**Whether therefore ye eat, or drink, or whatsoever ye do, do all to the glory of God**" (1 Corinthians 10:31).

"By practicing temperance in eating, in drinking, in dressing, in labour, and in all things, we can do for ourselves what no physician can do for us."

COMING to TORONTO OCTOBER 2022

Hi Friends,

The word “gospel” comes from two old English words meaning: God’s Spell.

When people saw the followers of Jesus and listened to their words and watched the way they lived to bless others, they exclaimed: “Oh, look how these Christians love one another! Look how they love us! They must be under a spell.”

So, they called it God’s Spell.

[Look at today’s message and see how God’s Spell works.](#)
