## HEALTH CORNER

Temperance is self-control that teaches us to do without everything that is hurtful and to wisely use that which is healthful. We are to practice temperance in eating, drinking, sleeping, working, and dressing.

### Always Temperate cont.

The governing principle of God's people should be, "**Whether therefore ye eat, or drink, or whatsoever ye do, do all to the glory of God**" (1 Corinthians 10:31).

"By practicing temperance in eating, in drinking, in dressing, in labour, and in all things, we can do for ourselves what no physician can do for us."

# COMING to TORONTO OCTOBER 2022

Hi Friends,

There are many good reasons why you shouldn't try to make a name for yourself. Even though that sounds completely contrary to what the world keeps telling you to do, there is a better way.

Look at today's message and see [Why You Shouldn't Try to Make a Name for Yourself](#)

Blessings to you and your family,
