HEALTH CORNER

The last letter in **GOD'S PLAN** is **N**, which stands for **Nutrition**.

Diet is of such a vital importance in the Eight Laws of Health. It is absolutely true that we are what we eat, since our bodies are continually being repaired and revitalized from the food we eat. Constantly there is a breakdown of the tissues of the body. Whether the tissue is muscle, bone, or nerve, it demands a fresh supply of nutrients from the blood supply. It is a wonderful process which transforms the food we eat into a blood supply rich in the nutrients continually needed to supply life and strength to every cell. These cells in turn make up the tissues and different organs of our bodies.
