## HEALTH CORNER

The last letter in **GOD'S PLAN** is **N**, which stands for **Nutrition**.

A food is defined as “any substance which, when absorbed into the blood, will nourish the tissues, repair waste, and furnish force and heat to the body without causing injury to any of its parts.” *Abundant Health*, p. 25.

In order to know what the best foods are, we must study God’s original plan for man’s diet. He who created man and who understands his needs appointed Adam his food. **“Behold,”** He said, **“I have given you every herb yielding seed, and every tree, in which is the fruit of a tree yielding seed; to you it shall be for food.”** (Genesis 1:29, A.R.V.). Upon leaving Eden to gain his livelihood by tilling earth under the curse of sin, man received permission to eat also “the herb of the field.” (Genesis 3:18).
