## DID YOU MISS OUR LATEST PROGRAM?

Thando and Seth Amankwah are two highly-gifted, highly-educated, and highly-motivated professionals. Their lives assertively challenge the stereotype that if you believe in God, you can't possibly be intelligent. This kind of narrow thinking is dangerously limiting, and Seth and Thando have powerfully inspired and

challenged others to see how they too can be extremely intelligent, successful, and extremely dedicated to God and His service.
