Illustration of stoney heart vs spongy heart

A stoney heart can't absorb the water of the Holy Spirit.

What produces a Stoney Heart?

Things like pride, bitterness, anger and impatience make our hearts hard.

**A spongy, soft heart
absorbs the water of the
Holy Spirit.**

**A soft heart will be like a
sponge that can soak up
the Spirit, Who will
transform our ways.**

Main Message: We need to be filled with the Holy Spirit till our cup is full and running over.

Theme for 2024 – “I Will Go”

4th Quarter Theme – “Sharing the Holy Spirit”

Vision Statement: To see every member sharing Christ innovatively, meeting the needs of people, in readiness for His Second Coming.

Mission Statement: To reach people within Toronto and its environs with the Everlasting Gospel of hope and wholeness.

NURTURING (MEMBER) Goal 1: To see members experiencing healthy personal spiritual growth that inform their passion for sharing the gospel collaboratively in mission (for the community).

SHARING (MISSION) Goal 2: To engage and interact with the external clientele through practical activities that will expose and invite them to embrace the love of Christ.
