Where Do My Offerings Go? 13th Sabbath Offering

You've heard how everyone in an Amish community comes together for a barn raising. Well, Seventh-day Adventists also have projects where we all pitch in to accomplish a goal. That is the purpose of the 13th Sabbath offering. Every 13th Sabbath, the church focuses on one of its world Divisions to accomplish a mission goal. The offering often goes toward constructing a building that will be used for education, evangelism, or media outreach. The 13th Sabbath offerings have been used to establish schools such as Central Philippine Adventist College. A recent offering made a youth camp possible in Belize. All the church members around the world join hands in these projects through sacrificial giving.

In 1913, the 13th Sabbath overflow amounted to \$474. Now, it exceeds a quarter of a million dollars. We call it an overflow offering because it encourages extra giving beyond the usual mission offering. In practice, 25 percent of the 13th Sabbath offering is considered overflow. The rest is more broadly distributed to continue mission work around the globe. You can also give a 13th Sabbath offering anytime by marking it on your tithe envelope. Do you want to be part of something big? You'll be part of a worldwide community expanding Adventist mission work when you give to the 13th Sabbath offering.

Remember: Our giving funds the mission to finish the work.
